

***HAMPTON LOVETT AND WESTWOOD PARISH COUNCIL
WORCESTERSHIRE***

Elmley Lovett Parish Council are applying for a grant to improve part of the existing playing fields at Cutnall Green not only for the wellbeing of the village but also to advance biodiversity and to maximise the habitats for wildlife.

Hampton Lovett Parish Council would like join in with this application by improving the Big Bear roundabout.

The grant is for development of schemes which benefit everyone and must have the backing of the local community.

I would be grateful if you could email me your support for this project or any other comments that you would like to make.

Geoff Crow

Chair Hampton Lovett & Westwood Parish Council.
