Dear G D Crow,

Thank you for your email making the following comments on application number 17/01830/HP:

"The above application is supported by the Parish Council as it provides safe access to the Granny Flat which is adjacent to the house. The current occupant could easily require help in the evening or at nights and to provide proper care it is sensible to have the covered access particularly as the Granny flat is tied to the house under planning regulations. The PC supported the application for the Granny Flat to enable a family in the house to support elderly family members, with the family around them. This application completes this important arrangement to show that we live in a society which supports the elderly. G D Crow Chairman HL & W Parish Council"

Your comments have been forwarded onto the planning officer dealing with this application, who will take your views into consideration when determining this application.
